VOLUME 06: SUMMER 2010

High School Regionals hosted by CBC

Coach Reiman and Coach Gronda introduced our high school bowlers and the crowd went wild. It was their first chance to bowl on their home lanes for the high school regionals. It was a long, tough day for all the kids, but they handled the pressure with great determination. The girls lead their team to first place and the boys cut it close at the end and pulled through to take third. The tension and excitement brought everyone to tears hoping for another chance to bring home the state trophy. At state championship the other teams had their game faces on and would not give Cheboygan another chance at victory. So as the next high school season approaches the kids are getting excited to make their friends and family proud again.

Mr. & Mrs. Eagles Fall 2010

Cheboygan Bowling Center is proud to welcome back our fellow Eagles Auxiliary and Eagle members. September until November Mr. & Mrs. Eagles will be here bowling for six weeks. It's not too late to join up at your fellow Eagles to get involved in this fun and exciting tournament.
