## BOWLING FOR A NEW WORLD RECORD: MORE FUN THAN EVER!

### WORLD RECORD DAY

#### CBC SHARES IN WORLD BOWLING RECORD

Cheboygan Bowling Center, along with 1250 other bowling centers, set a world record August 7, 2010. Collectively, the people at these centers bowled 923,948 games in a single day, shattering the 2009 record of 741,821. The bowlers at CBC contributed 121 games to this record. Each year on the first Saturday in August, Cheboygan Bowling Center participates in an attempt to set a world record for the greatest number of ten pin games bowled at US bowling centers collectively in a single day. The ultimate goal is 1 million games. Set aside some time on August 6 to join us in our next world record attempt. This event coincides with our annual Cheboygan Bowling Center and Cheboygan USBC Association open house which includes free bowling, hot dogs, and pop.
